

READ NATURALLY ME RECORD-KEEPING, PLACEMENT, AND REPORTING

Decision Assistant

Decision Assistant is a software program that offers powerful **record-keeping, placement, and reporting** features for schools using Read Naturally Masters Edition (ME) programs.

HOW IT WORKS

You place students and record student data on a stand-alone Windows or Macintosh computer. Once the data is stored in Decision Assistant, you can generate reports to help you monitor students' progress and make decisions about adjusting their levels and goals. The student reports are helpful for communicating with other teachers and with parents.

ME Decision Assistant is stand-alone software. That is, the software runs locally on an individual computer. Therefore, you must enter all data on the same computer so they are all available together for viewing and reporting.

Better Tools.
Better Readers.
Brighter Futures.

| Student | Level | Goal | Stories passed | Cold Timing (Per 100) | Hot Timing (Per 100) | Comprehension (Per 100) |
|---------------------|----------|------|----------------|-----------------------|----------------------|-------------------------|
| Stack, Janelle | 3.0 Seq | 90 | 12 | 63/75 | 91/99 | 80/100 |
| Stein, Kim | 1.0 Seq | 70 | 16 | 42/54 | 72/85 | 90/100 |
| Wagner, Pat | 4.0 AMMC | 90 | 12 | 63/62 | 92/98 | 93/87 |
| | 4.5 Span | 90 | 3 | 81/81 | 92/92 | 80/80 |
| Section 1952 | | | | | | |
| Lee, Mel | 3.5 Seq | 115 | 1 | 90/90 | 117 | 80/80 |
| Wells, Mark | 5.0 Seq | 140 | 20 | 90/110 | 140/141 | 80/85 |
| Tran, John | 7.0 Seq | 120 | 12 | 84/96 | 122/131 | 70/67 |

KEY FEATURES

With Decision Assistant, teachers who use the proven Read Naturally Masters Edition materials and strategy can take advantage of the benefits and functionality of the reporting system used in our Read Naturally Software Edition. Decision Assistant offers the following key features:

- **Record student information**, including students' names, grades, goals, and levels, plus the teachers and classes to which they belong.
- **Place students** using placement software that guides you in choosing the correct level, curriculum, and goal.
- Record results for an **unlimited number of students** working in Read Naturally ME, including their results from the Cold Timing, Practice, Pass, Quiz, Retell, and Word Lists steps.
- **Monitor student progress** with extensive summary and detail reports.
- **Print letters and awards** to enhance communication with parents.
