

## Summer Reading With One Minute Reader Live!

Hello! I'm excited to share that your child can work in a program called Read Live over the summer for free! Read Live includes an independent, structured reading program called One Minute Reader Live that your child will have access to this summer. In One Minute Reader Live, your child will be able to work independently and continue to make reading progress.

Please note that this program requires internet access and a computer or tablet. Here is the information you need to get started using this program at home.

The Read Live login url is: <https://readlive.readnaturally.com/login>. Your child will go to this page to log in.

To log in, your child needs our school's account number, a Read Live username, and a Read Live password. Your child's information is as follows:

Our school's Read Live account number is: \_\_\_\_\_

Your child's Read Live username is: \_\_\_\_\_

Your child's password is: \_\_\_\_\_

Based on your child's current Read Live level, I would recommend starting in Level \_\_\_\_ of One Minute Reader Live.
