Accelerate Students’ Reading Achievement
Deliver measurable results for struggling and developing readers of all ages. Read Live provides complete access to four powerful instructional programs in a simple and effective format for one low price.

Four Programs, One Web-Based Platform, One Low Price!

Read Naturally Live
Build fluency and phonics, strengthen comprehension, and expand vocabulary.

Word Warm-Ups Live
Develop mastery and automaticity in phonics, decoding, and syllable patterns.

One Minute Reader Live
Supplement the development of literacy skills with guided, independent reading.

Read Naturally Live—Español
Develop the Spanish literacy skills of multilingual learners.

Web-Based Program

Individualized, Print-Based Intervention
Accelerate reading achievement with this powerful program that uses printed materials and audio CDs. Students develop fluency, phonics skills, comprehension, and vocabulary.

Curriculum Options:
Sequenced (core intervention), Phonics, and Idioms series.

Reproducible Masters with Audio
Supplement With Independent Reading
Makes independent reading fun with exciting, short passages, audio support, and progress graphs that motivate students to read again and again.

Teach Foundational Skills to Small Groups
Small-group, direct instruction to teach phonemic awareness, phonics, high-frequency words, and fluency.

Build Automaticity in Phonics and Decoding
A quick, timed phonics program for students who have had some phonics instruction but have not yet mastered decoding words.

Boost Vocabulary & Word-Learning Strategies
Teaches individuals or small groups the meaning of high-utility words in context and helps them develop lifelong strategies for learning new words.

Make Strides With Systematic Spelling
Improves spelling skills by teaching regular phonetic patterns and high-frequency words individually or to small groups.

Gamify Word Learning
Games made up of synonym, antonym, and word-in-context questions help students develop vocabulary in an engaging way.

Master Phonemic Awareness
Teaches phonological and phonemic awareness to small groups of students with scripted curriculum and interactive exercises.
Deliver measurable results for struggling and developing readers of all ages. Read Live provides complete access to four highly effective instructional programs in one web-based platform for one low price:

- **Read Naturally Live**
  Build fluency and phonics, strengthen comprehension, and expand vocabulary.

- **Word Warm-Ups Live**
  Develop mastery and automaticity in phonics, decoding, and syllable patterns.

- **One Minute Reader Live**
  Supplement the development of literacy skills with guided, independent reading.

- **Read Naturally Live—Español**
  Develop the Spanish literacy skills of multilingual learners.

All four programs included in one Read Live subscription

**Read Live...**
- Enables differentiation for students of all ages and instructional levels.
- Delivers extensive reports with actionable data for making instructional decisions.
- Has progress monitoring built in without additional testing.
- Features interesting informational text for nonfiction reading opportunities.
- Provides intensive reading intervention, often used for RTI or MTSS implementations.

**Students...**
- Work mostly independently with extensive audio support.
- Experience gains quickly and develop confidence as learners.
- Take ownership of their success and are accountable for their work.

See pg. 7 for pricing info.
Our flagship reading intervention program, Read Naturally Live, combines an intrinsically motivating system with the best evidence-based practices to deliver results fast.

"Read Naturally Live is an excellent tool to help kids work on improving their fluency. It is easy to keep data on all skill areas. The vocabulary development sections are well done and fun for the kids to work with!"
— Meg, Classroom Teacher

Included in Read Live subscription. See pg. 7 for pricing info.

Read Naturally Live—Español is a Spanish-language version of Read Naturally Live. Spanish-speaking students can use the program before or while learning to read in English, or native English speakers can use this program to learn to speak Spanish text fluently.

"Read Naturally is an amazing tool. I have used it as a bridge to literacy for both homeless children with limited education and with adult English Language Learners. It meets the students where they are at and provides all the tools we need for success."
— Kathy, Educator

Included in Read Live subscription. See pg. 7 for pricing info.
This component of Read Live uses systematic phonics instruction to teach students to easily decode and encode words. Audio-supported lessons with guided practice allow for individualization and enable students to work independently.

“I use this program as a small-group intervention. I use it with second and third graders and they love it. Their accuracy has drastically improved as well as their confidence.”
— Lisa, Classroom Teacher

Included in Read Live subscription. See pg. 7 for pricing info.

One Minute Reader Live delivers measurable results while engaging students with interesting short passages, motivating graphs, fun joke jumbles, and crossword puzzles. Students develop fluency, comprehension, and vocabulary skills, all while building confidence as learners.

“My students love One Minute Reader Live! They stay on task and are making remarkable progress on fluency and comprehension!”
— Leanna, Classroom Teacher

Included in Read Live subscription. See pg. 7 for pricing info.

“This is an incredible reading program. Students make huge gains in their reading fluency and comprehension, and they get so excited about each story and what they learn.”
— Kathleen, Special Education Teacher

Read Naturally Encore II is a research-based, time-tested intervention that accelerates reading achievement by using the Read Naturally Strategy in a print/CD format. Students develop fluency, phonics skills, comprehension, and vocabulary while reading leveled, interesting, nonfiction stories.

Encore II provides...

• Intensive reading intervention, often used for RTI or MTSS implementations.
• Differentiated instruction for a wide range of readers from beginning readers to adults.
• Feedback to students and teachers through graphs of individual progress.
• Nonfiction reading opportunities as required by state standards.

Four Encore II Series to Choose From

**Sequenced** - This basic series of content builds fluency while supporting comprehension and vocabulary growth, as students work through a sequence of leveled materials.

**Encore II—Español** - This series features Spanish translations of the corresponding stories in the Sequenced series. This series may be used with Spanish-speaking students or to help native English speakers learn to read Spanish text fluently as an additional language.

**Phonics** - The Phonics series provides phonics support in addition to building fluency, comprehension, and vocabulary. Each passage includes a phonics lesson and many words with the featured phonics pattern(s).

**Idioms** - The Idioms series is ideal for multilingual learners. This series introduces common American idioms within fun, interesting stories and audio-supported questions that emphasize vocabulary acquisition.

$135/Level

Resources for the Blind and Visually Impaired

Accelerate the literacy of blind and visually impaired students using Unified English Braille versions of the Read Naturally Sequenced and Phonics stories.

BVI Materials are available for Sequenced Levels through 4.5 and all Phonics Levels.

**FREE** upon request for Read Live or Encore II users!

Structured, Independent Reading

One Minute Reader makes reading fun with short, exciting, nonfiction passages and constant feedback that motivates students to achieve dramatic results. It’s perfect for independent reading at school, a school-to-home checkout program, or home schooling.

$199/Level

Systematic Phonics and Decoding Support

Build mastery and automaticity in phonics and decoding using research-based Word Warm-ups. This systematic and explicit phonics program teaches students to decode and encode one-, two-, and three-syllable words easily. Audio-supported lessons allow for individualization and enable students to work independently.

$169/Level

Teach small groups of beginning readers the foundational reading skills using Read Naturally GATE. GATE includes practice with high-frequency words.

Students...

- Develop phonemic awareness by segmenting and blending sounds in words.
- Strengthen proficiency with letter sounds.
- Learn to decode and then spell short, phonetically regular words.
- Learn to read high-frequency words with automaticity.
- Build fluency using word lists and stories.
- Develop comprehension by writing a prediction, a sentence about the story, and answers to questions.

$159/Level

Actively engage students in vocabulary development with Take Aim!

Students read high-interest passages, answer comprehension questions, and engage in research-based activities to learn the meaning of high-utility words and develop lifelong vocabulary acquisition techniques.

To Download Samples: Visit www.readnaturally.com/tasamp

Reproducible Masters with Audio
Two formats to choose from:

Semi-Independent Format
Each student works mostly independently at their own pace. Each student works in a different unit.

$269/Level (12 units)

Teacher-Led, Small-Group Format
Teacher presents lessons to groups of up to six students working in the same unit.

$995/Entire Level (12 units; 6 copies)
$299/Mini-Level Set (3 units; 6 copies)

Enjoy a classroom of competent spellers by using Signs for Sounds.

This research-based, systematic spelling program builds proficiency in spelling while reinforcing reading skills. Signs for Sounds teaches the spelling of decodable words and irregular high-frequency words.

Two Levels Available:

Level 1
Teaches spelling using common letter sounds, distinguishing short and long vowels (with silent e), consonant blends and digraphs, and more.

Level 2
Reviews the skills taught in Level 1 at a faster pace and then explores advanced skills at the second- and third-grade levels.

$75/Level

To Download Samples: Visit readnaturally.com/sfs
Build vocabulary with this app that makes learning words FUN!

Students independently play games that include over 7,000 synonym questions, 1,000 antonym questions, and 600 meaning-from-context questions. The Lightning Round provides an exciting review. They won’t want to put this app down, and neither will you!

**Funēmics**

Teach the foundational skill of phonemic awareness to small groups of pre-readers or struggling readers with Funēmics. Students gain awareness of words, syllables, rhyming, phonemes, and phoneme manipulation using a research-based, scripted curriculum with interactive exercises on an iPad. Includes a printed teacher’s manual, six printed lesson guides, and six interactive books.

**Accessories**

From essentials to helpful extras, Read Naturally accessories keep students organized and help you make sure your Read Naturally program is successful.

- Headphones
- Timers
- Graphing Pencils
- Reading Guides
- Folders
- Red/Green Pouches

Quickly assess oral reading fluency!

The Reading Fluency Progress Monitor (RFPM) tracks individual student progress in reading. The 30 fiction and nonfiction passages for each grade level have strong validity and reliability.

**RFPM provides...**

- Multiple field-tested passages of equivalent difficulty in each level.
- A tool for frequent assessment required by RTI or MTSS.
- Reproducible forms to record and graph student performance over time.

$49/Level

---

Add Dr. Jan Hasbrouck’s Quick Phonics Screener (QPS) to your reading assessment toolkit.

The third edition of this proven diagnostic phonics assessment includes the new Quick Spelling Survey (QSS)—a time-saving spelling assessment you can administer to a group or to a whole class.

Use QSS results to determine which students may need a one-to-one QPS assessment. QPS and QSS identify each student’s strengths and instructional needs in phonics-decoding and encoding.

**QPS provides...**

- Three forms for fall, winter, and spring assessments.
- Convenient QPS and QSS summary score sheets.
- Student examples to help you interpret results.

$89/Level
Professional Development for Read Naturally Strategy Programs

Transforming developing readers into confident, successful readers is challenging.

Make it easier on yourself by learning from experts who have the experience, tips, and knowledge to help.

Get the best results in the shortest time with training options to suit your needs.
