Interventions Targeting Specific Skills

Read Naturally has developed a range of research-based interventions targeting skills that are essential for reading development.

**Why Our Intervention Programs Get Results:**
- Research-proven, standards-based instruction/intervention.
- Carefully designed lessons based on educational research.
- Multiple levels meet a range of instructional needs.
- Pretests differentiate instruction by identifying needs and placing students appropriately.
- Students must achieve mastery before proceeding to next lesson.
- Posttests document improvement and areas needing attention.
- Teacher management tools for planning and tracking progress.
- Teacher’s manuals with thorough, easy-to-follow directions.
- Fidelity checklists fine-tune implementation.

**Builds Automaticity in Phonics and Decoding**
A quick, timed, independent phonics program for students who have had some phonics instruction but have not yet mastered decoding words.

**Boosts Vocabulary in the Critical Middle Grades**
Teaches individuals or small groups the meaning of high-utility words in context and helps them develop lifelong strategies for learning new words.

**Systematic Spelling**
Improves spelling skills by teaching regular phonetic patterns and high-frequency words individually or to small groups.

**Vocabulary App**
Games made up of synonym, antonym, and word-in-context questions help students develop vocabulary in an engaging way.

**A Phonemic Awareness Program**
Teaches phonemic awareness to small groups of students with scripted curriculum and interactive exercises.

Do you know a student who wastes independent reading time because it isn’t fun? Do you wish you knew how much (or if) a student really reads during independent reading? One Minute Reader makes reading FUN with short, exciting, nonfiction passages and constant feedback that motivates students to achieve dramatic results.

“My son is dyslexic, and he loves the One Minute Reader program. The stories are topics that really interest him. It only takes a few minutes each day, and I have seen a significant improvement in his reading skills in just five months.”
— Patricia, Parent

“One Minute Reader was purchased to send home with my students because it provides the practice they so desperately need. The students love competing against themselves. One Minute Reader requires very little of the parents’ time. The feedback from parents has been very positive.”
— Joyce, Title I Teacher, Hummelstown, PA
Teach small groups of beginning readers the foundational reading skills using Read Naturally GATE. Students...

- Develop phonemic awareness by segmenting and blending sounds in words.
- Strengthen proficiency with letter sounds.
- Learn to decode and then spell short, phonetically regular words.
- Learn to read high-frequency words with automaticity.
- Build fluency using word lists and stories.
- Develop comprehension by writing a prediction, a sentence about the story, and answers to questions.

“GATE has had a positive impact on several of our students, and we have only been using it for a few months. It’s a great addition to our Tier II supports!”
— Kristin, MN

Includes Practice with High-Frequency Words!
Reading is important for everyone. English language learners and the blind and visually impaired benefit from the Read Naturally Strategy in special series provided in a print/CD format.

**ME Spanish Series**
Support Spanish speakers with this literal translation of the ME Sequenced series. Spanish speakers can work through a story in Spanish to develop content knowledge before working on the same story in English.

**ME American Manners & Customs Series**
Stories in this series feature topics about American culture and provide extra vocabulary support through audio-supported, story-specific glossaries and extra vocabulary questions.

**ME Idioms Series**
The fun and interesting stories in the Idioms series provide understanding of common idioms and provide extra vocabulary support through audio-supported, story-specific glossaries and extra vocabulary questions.

**ME Resources for Blind & Visually Impaired Students**
Accelerate the literacy of blind and visually impaired students using Braille and large-print versions of the original Read Naturally ME Sequenced and Phonics stories.

“Read Naturally is the most effective tool I have found for helping students improve their Braille reading fluency. I love the level of autonomy and independence it offers.”

— Jeri, Texas School for the Blind & Visually Impaired
Build mastery and automaticity in phonics and decoding using research-based Word Warm-ups. This systematic and explicit phonics program teaches students to decode and encode one-, two-, and three-syllable words easily. Audio-supported lessons allow for individualization and enable students to work independently. Available in a print/CD format.

**Word Warm Ups Provides...**
- Differentiation for students who need additional phonics instruction.
- Motivation through graphing progress.
- Practice and judicious review to solidify learning.
- Instruction in the most common phonics and syllable patterns.
- An assessment to place students in the appropriate level and lesson.

“My students love the Word Warm-ups program. We are seeing much improvement in their fluency. They love trying to beat their previous score!”
— Vicki, Reading Specialist, Texas
Actively engage students in vocabulary development with Take Aim. Students read high-interest passages, answer comprehension questions, and engage in research-based activities to learn the meanings of high-utility words and develop lifelong vocabulary acquisition techniques. Available in a print/CD format.

“Even my most challenged student is able to work independently in the [Take Aim] materials. Now students are looking more carefully at words and thinking out loud about their possible meanings.” — Jacki, Philadelphia, PA
