Fluency  Phonics  Vocabulary  Spelling  Comprehension  Phonemic Awareness

Read Naturally® Live

**Web-Based Application**

Individualized reading intervention program that utilizes evidence-based practices to accelerate reading achievement. Visual and auditory prompts guide students through the motivating steps to develop fluency and phonics skills, support comprehension, and improve vocabulary.

---

**Interventions Targeting Specific Skills**

**Builds Automaticity in Phonics and Decoding**

A quick, timed, independent phonics program for students who have had some phonics instruction but have not yet mastered decoding words.

**Boosts Vocabulary in the Critical Intermediate Grades**

Teaches individuals or small groups the meaning of high-utility words in context and helps them develop lifelong strategies for learning new words.

**Systematic Spelling**

Improves spelling skills by teaching regular phonetic patterns and high-frequency words individually or to small groups.

**Vocabulary App**

Games made up of synonym, antonym, and word-in-context questions help students develop vocabulary in an engaging way.

**A Phonemic Awareness Program**

Teaches phonemic awareness to small groups of students with scripted curriculum and interactive exercises.

Add Dr. Jan Hasbrouck’s Quick Phonics Screener (QPS) to your reading assessment toolkit. The third edition of this proven diagnostic phonics assessment (published in 2017) includes the new Quick Spelling Survey (QSS)—a time-saving spelling assessment you can administer to a group or to a whole class.

Use QSS results to determine which students may need a one-to-one QPS assessment. QPS and QSS identify each student’s strengths and instructional needs in phonics—decoding and encoding.

QPS provides...
- Three forms for fall, winter, and spring assessments.
- Convenient QPS and QSS summary score sheets.
- Student examples to help you interpret results.

Need passages to quickly assess oral reading fluency? The Reading Fluency Progress Monitor (RFPM) tracks individual student progress in reading. The 30 fiction and nonfiction passages for each grade level have strong validity and reliability.

RFPM provides...
- Multiple field-tested passages of equivalent difficulty in each level.
- A tool for frequent assessment required by RTI or MTSS.
- Reproducible forms to record and graph student performance over time.

Transforming developing readers into confident, successful readers is challenging. Make it easier on yourself by learning from experts who have the experience, tips, and knowledge to help.

Get the best results in the shortest time with training options to suit your needs.
