

Share your STORY!

You've made a difference in your students' lives with Read Live—now, inspire thousands more! Educators everywhere are eager to learn what truly works in the classroom. Share your success story with colleagues at a reading conference near you!

Read Naturally will:

supply a slide deck template to make it easy for you to create a presentation.

identify conferences in your area.

cover your expenses to attend the conference.

reward you with an honorarium of \$500.

We ask that you:

personalize the slide deck to make it your own.

apply to speak at conferences in your area.

share your story with others.

help other students become better readers.
