

How Can Students Avoid the “Summer Slide” in Reading?

These engaging **iPad apps** will help students continue to develop their reading skills over the summer!

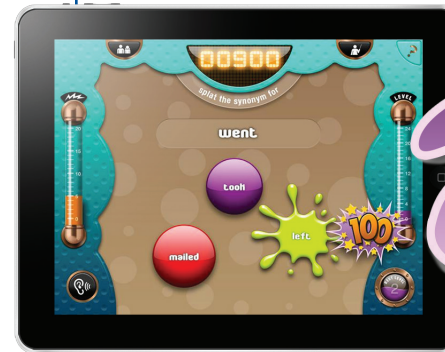

Turn ordinary independent reading time into an exciting reading experience with real results.

Read Naturally’s One Minute Reader iPad App energizes students with exciting, short passages and cool progress graphs that students will want to show off.

One Minute Reader utilizes the research-based Read Naturally Strategy to improve fluency, comprehension, and vocabulary.
